# CAMP SUB ZERO

Our 12th year brings more exciting fun! CAMP SUBZERO is dedicated to providing the highest quality programming and activities for our 5—8 year old campers. Our new and improved group size was such a success last summer that we are carrying on the tradition.

Activities— We jam pack each day with adventure, offering the following activities throughout the week: skating, swimming, Capital Gymnastics, arts and crafts, broomball, fun on-ice activities, and of course our indoor and outdoor games. Every Monday we will offer a skating lesson by a professional Chaparral Ice skating coach and campers typically get 1—2 hours of skating time each day.

Field Trips—Each week is themed and includes a field trip that is theme specific. This summer we are going to get wet at Rockn' River Park, explore a dinosaur lab, get visited by MAD SCIENTISTS and exotic animals of the world. See next page for field trip details.

## Campers 9-11 years old

CAMP AVALANCHE is our pre-teen “super camp”. We offer a camp designed just for your **9-11 year old** pre-teen. We focus on the ever-changing needs of our campers, helping them to develop and grow in a positive and enriching way, while having the most fun possible.

Activities— CAMP AVALANCHE offers a multitude of activities. Our pre-teens skate, hike the greenbelt, play ice sports, swim, and now with the new recreation center we play indoor volleyball, basketball, and soccer. We also volunteer at the

local food bank, take an active role in environmental concerns and provide age appropriate arts and crafts. There is an exciting weekly field trip and campers typically get 1—2 hours of skating time each day.

Field Trips— This summer we will be climbing the walls at Austin Rock Gym, hitting the coasters at Fiesta Texas, riding the waves at Schlitterbahn twice, Lifetime Fitness Madness, staying wet at Splashtown in San Antonio, and Zip lines at Candlelight Ranch.
