PRE-FREE SKATE AND FREE SKATE 1-6:

Each level is comprised of a variety of progressive skating skills, transitions, spins, and jumps — all of which build on the previous skill level, providing skaters a strong foundation of all elements.

(USFSA testing and competing require a USFSA membership that is separate from Learn to Skate USA. Details will be provided in class. Adults are also welcome to take the regular Free Skate classes of the appropriate level for their ability.)
