

Camp des Champs

Go for the Gold at Camp des Champs!

Sharpen your figure skating skills with the Camp des Champs summer program at Chaparral Northcross. This is THE camp for Learn To Skate (LTS) students looking for the edge needed to pursue a more advance level of figure skating.

Back for our third summer, in our brand new Northcross Center Location. Kate Shaw, the returning Camp Coordinator and Professional Figure Skating Instructor promises even more fun and growth with new enriching experiences. All campers will be enrolled in the Learn To Skate program, and receive daily lessons by a qualified instructor. Daily lessons and practice time combined with off-ice training allow your child to advance through the Basic Skills and Freeskate levels at a much faster rate. This is all provided within a fun and supportive environment. This is an all day camp program that provides quality ice instruction, practice ice time, off-ice training, skating videos and other fun activities throughout the day. Please see the Terms & Conditions for more details. For more information contact Leslie Martine at 252.8500 x106 or lmartine@chaparralice.com.
