

# Camp des Champs

Sharpen your figure skating skills with the Camp des Champs summer program at Chaparral Ice Northcross! This is the perfect camp for beginners and Learn-to-Skate students who are looking for the edge to pursue a more advanced level of figure skating.

We are excited for our seventh summer of the Camp des Champs program! Kate Points and Kerri Alexander, returning Camp Co-coordinators and Professional Figure Skating Instructors, promise even more fun and growth with new enriching experiences. All campers will be enrolled in the Learn-to-Skate program and receive two daily lessons by a qualified instructor. (No skating experience is necessary since new skaters are enrolled in Basic 1.) Daily lessons and practice time, combined with off-ice training, allows your child to advance through levels at a quick pace. All this provided within a fun and supportive environment! This is an all day camp program that provides quality ice instruction, practice ice time, off-ice training, and other fun activities throughout the day. Please see the Terms & Conditions for more details. For more information contact Kate Points at [kshaw@chaparralice.com](mailto:kshaw@chaparralice.com) or 512.252.8500 x 9.
