

## **Yearly Outline for House and Competition Team Youth Hockey Programs**

### **Fall Season Details**

**House Hockey Programs**— kids are divided into teams based on skill level. Focus is FUN, DEVELOPMENT and SKILL ADVANCEMENT.

- Season length— **Full Season**- mid-September to March, playoffs end of March.
- Mid-season options — **Season A**—September to December, **Season B**— January to March
- Season compiled of skill development practices, cross-ice games, and weekend jamborees as well as fun league play against the other house teams at their skill level. Chicken winner trophy
- Fees vary based on # hours of ice
- High School registration and season will run the same as the house/rec programs
- Detailed registration information will be online and distributed at the end of July for all programs

### **Spring Season— House and Travel Players**

- Season length— April to Mid-May
- Fun 3 on 3 season— cross-ice hockey
- Small area, quick decision making, fast paced games
- Fees vary based on # hours of ice

### **Summer Season— House and Travel Players**

- Season length— June to mid-August
- Fun shinny (pick up hockey) league for kiddos, teams balanced weekly
- No stress, fun games
- Fees vary based on # hours of ice

### **Summer Development Program— All players—offered through YHFA**

- Season length— June - mid-August
- Skill development sessions for each age group. High intensity, off-ice, specialized on-ice training
- Fees vary based on # hours of ice
- Focus on Power skating, Stick handling, Passing, Shooting, Body control and Team play
